

## X-Ray Viewing Box Installation Instruction

1. Drill two holes in the wall as per the key-holes on the back of the X-Ray unit.
2. Insert wall plug and mounting screws (Both not supplied)
3. Hang the X-ray unit on the screws.
4. Plug the plug attached to X-Ray unit into the closest 220V outlet.

To switch the unit on, use the On/Off switch on the side of the X-Ray Viewing box.
